

## Embedding Google Calendar to a Cascade CMS Website

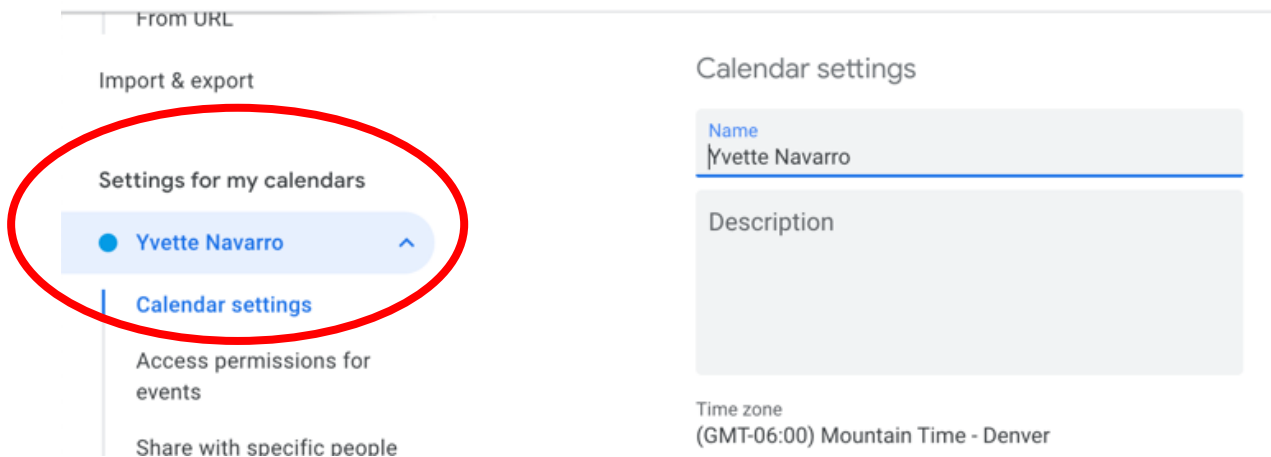

1. On a computer, open your Google Calendar. You can only get the code to embed in your website from a computer, not the Google Calendar app.

2. In the top right, click Settings.

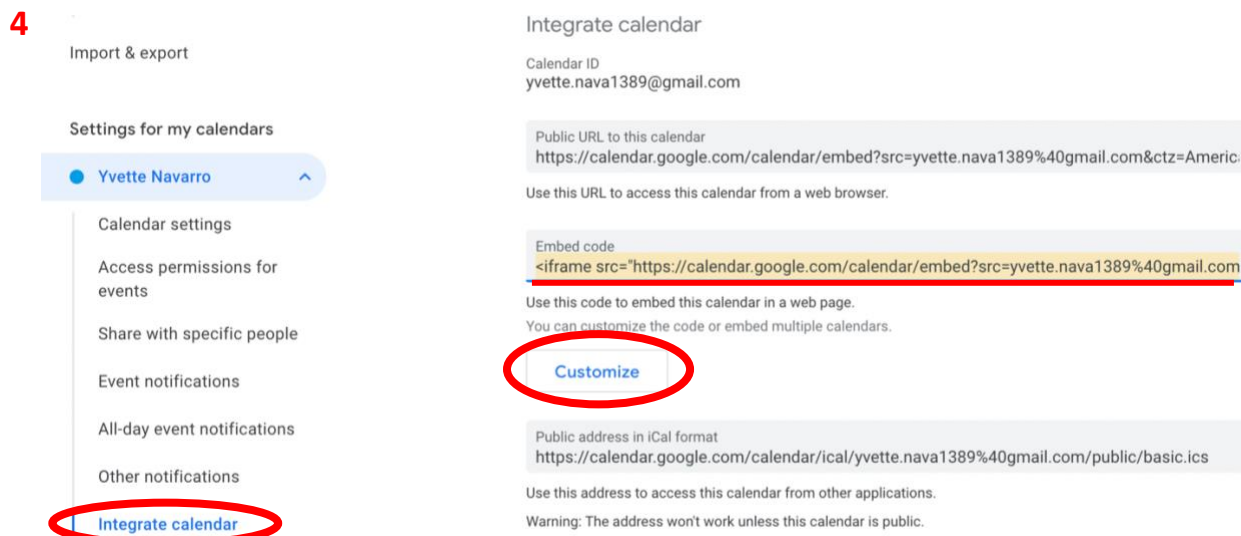

3. On the left side of the screen, click the name of the calendar you want to embed.

Please contact Yvette Navarro at [ynavarro@nmsu.edu](mailto:ynavarro@nmsu.edu) or (575) 646-3497 for any additional questions.

4. In the "Integrate calendar" section, you will find the iframe code displayed.
  - a. Under the embed code, click Customize. Here, you'll be able to change how the calendar will look. You can change the color of the border and its title.
    - i. I suggest changing the color to NMSU's official crimson color (#8c0b42) so that it looks more uniform with the rest of the page.

8. Once you click Submit, your calendar should display on your webpage! Remember to Publish after Submitting so that it is public.

The screenshot shows a web editor interface. At the top, there are navigation links: 'Add Content', 'Site Content', 'Manage Site', 'My Content', and a search icon. Below this is a toolbar with buttons for 'Submit' (circled in red), 'Discard', 'Edit', 'Comments', and 'Details'. The page title is 'Page: Web Support Home' and the content area shows 'ACES\_Web Support / index'. A footer banner features the New Mexico State University logo and the text 'BE BOLD. Shape the Future. New Mexico State University'. On the right, there is a 'Quick Links' section with a search box and a list of links: 'Web Support Home', 'EZRegister', 'RSVP', 'Submit an ACES Cal...', 'Cascade Training', 'Advanced Cascade T...', and 'Request Help Form'. The main content area displays a calendar for the week of August 7-13, 2022, with a time slot from 5am to 1pm. The calendar grid shows a red line at 9am on Monday, August 8th.
