

How to Embed a YouTube Video

1. Find the YouTube video you'd like to embed to your website. Please make sure that this video is compliant with ADA standards and offers subtitles so that it is accessible to everyone.

2. Right below the video, you'll see a "Share" button. Click on that button.

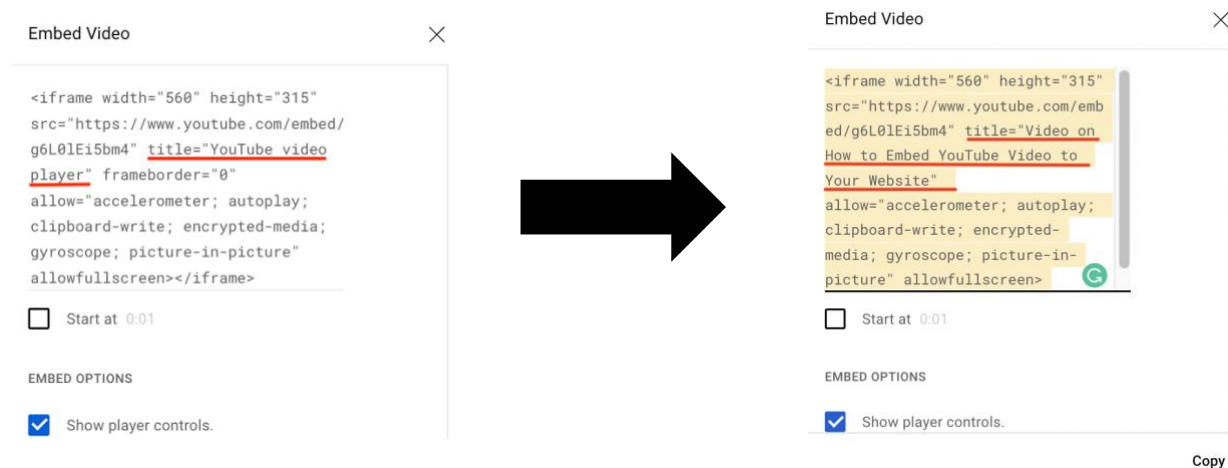

Please contact Laura Ramirez at lramirez@nmsu.edu or (575) 646-5938 for any additional questions.

3. A pop-up window should appear. From this screen, click on where it says, “Embed.”

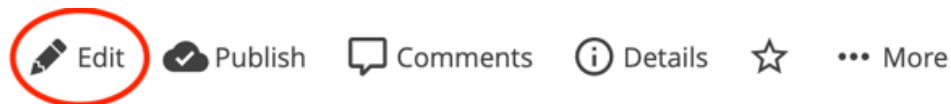

4. Once you click on “Embed,” HTML code will be given to you.
 - a. Before you copy this code, make sure to change the “Title” of the code to be descriptive of the video you are embedding. This is to ensure the video is ADA compliant.
 - b. Once this is done, you may copy the code, and go to your Cascade CMS site.

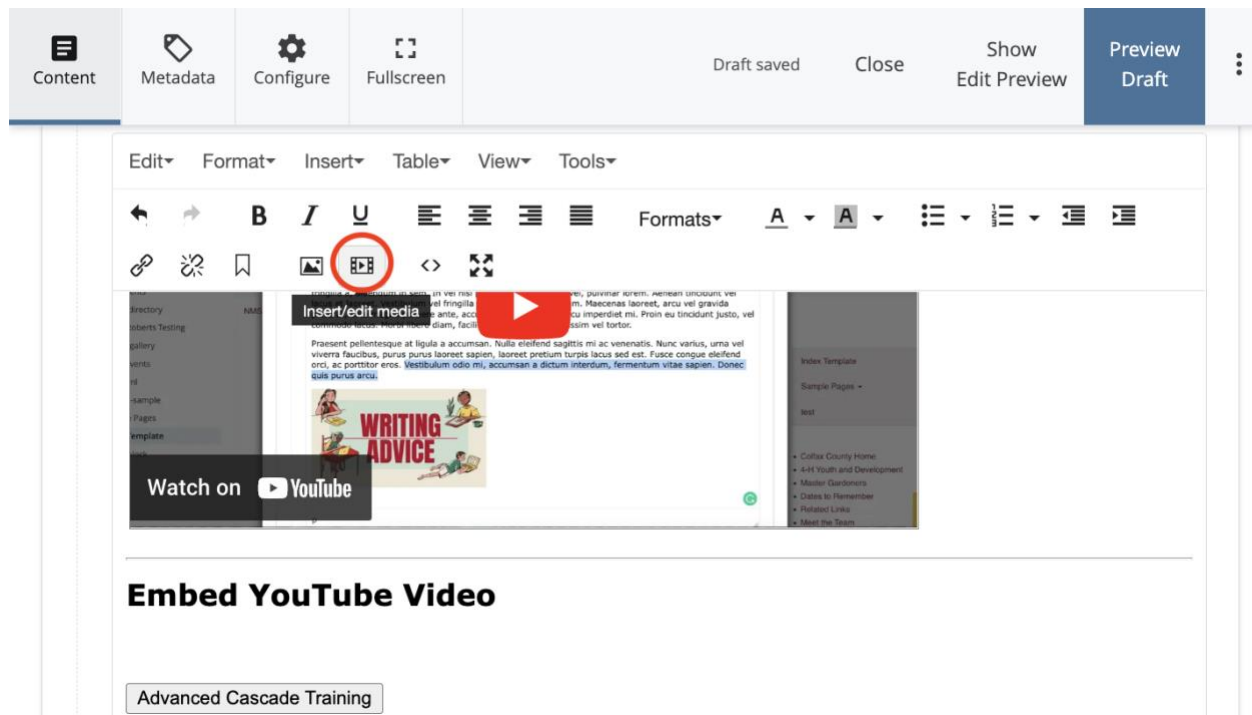

Please contact Laura Ramirez at lramirez@nmsu.edu or (575) 646-5938 for any additional questions.

5. Make sure to click the “Edit” button at the top of your webpage to bring up the WYSIWYG editor.

6. Go to the section where you’d like to add the video and place your cursor.
 - a. Now, you will click on the Media button on the WYSIWYG editor tool bar.

Please contact Laura Ramirez at lramirez@nmsu.edu or (575) 646-5938 for any additional questions.

7. On the pop-up screen, click on the second tab where it says “Embed”
 - a. Here is where you will paste the code you received from YouTube.
 - b. Once you are done, click “Ok”

Please contact Laura Ramirez at lramirez@nmsu.edu or (575) 646-5938 for any additional questions.

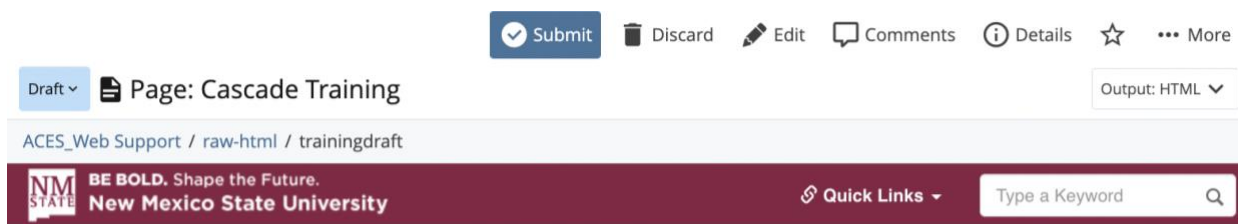

8. Now, click on “Preview Draft” on the top to make sure the video is working properly.

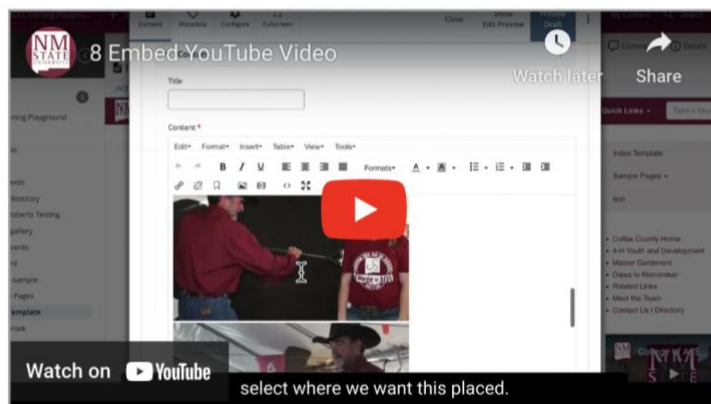

The screenshot shows a web editor interface with a top navigation bar containing icons for Content, Metadata, Configure, and Fullscreen, along with buttons for Close, Show Edit Preview, and Preview Draft (circled in red). Below the navigation bar, the 'Title' field contains 'ACES Cascade Training'. The 'Content' section features a rich text editor with a toolbar including bold, italic, underline, list, and link options. A video embed is shown with a 'Watch on YouTube' button. Below the video, the text 'Embed YouTube Video' is displayed. The video player shows a person in a red shirt working with a tool. A 'Watch later' button and a 'Share' button are visible in the top right of the video player. A 'select where we want this placed.' message is at the bottom of the video player.

Please contact Laura Ramirez at lramirez@nmsu.edu or (575) 646-5938 for any additional questions.

9. Lastly, make sure to click “Submit” and “Publish” the page to ensure the video is visible.
